

Military Admission Information At The Time of the Call We Will Ask the Following:

- The patient's Name, Date of Birth and Social Security Number.
- The presenting problem or diagnosis.
- Medical Problems.
- Active Medication List.
- Insurance. (Please keep in mind whatever insurance they may have we can discuss a way to accommodate them to provide treatment. It is on a case by case basis if the patient has private insurance or if the VA will be paying for their stay.)
- Admission Date and Time.
- If Transportation will be needed.

To Move Forward with the Admission, I Will Request the Following:

- 1-2 Clinical Notes.
- Active Medication List.
- A copy of the referral submitted to Tricare, if needed. (This will be determined at the time of the call)
- The admission checklist form completed.

The information can be sent via email unencrypted to Janice.barnett@uhsinc.com or via fax to 804-862-6315. I can be contacted directly at 804-733-6874 EXT 1609, if there are any questions or concerns.
